## DM

Water the Way You Like it!

**Whether you like your Water Ice Cold or Steaming Hot, The DM Delivers it Fresh and Clean!**

### Refill and Refresh

Elegant capacitive touch dispense icons, LCD smart alert display, and large 12-inch dispense area make refilling your favorite container quick and simple.

### Designed with You in Mind

We believe that personal hydration products should reflect the people that use them, and the beauty, efficiency, and ease of use we all desire.

### A Better Way to Hydrate

Our bottleless dispensers provide greater hygiene and increased sustainability compared to bottled options. The latest filtration and LED UV technologies provide a continuous supply of clean fresh tasting water without the need for bulky 5-gallon or plastic single-use bottles.

# BCS PUREWATER

**Effortless**  
Capacitive touch icons offer intuitive effortless dispensing.

**Advanced**  
Internal microprocessor controls and monitors system functions.

**Smart**  
LCD Smart screen displays messages, system status, and service alerts.

**Accommodating**  
Extra-large 12-inch dispense area makes refilling even the largest containers a breeze.

**Refreshing**  
Advanced reverse osmosis and multi-stage carbon filtration deliver a continuous supply of fresh, clean drinking water.

**Clean**  
In-tank LED UV technology, anti-microbial surfaces, and no-touch filter changes keep the system clean inside and out.
